UNITED TELEPHONE-SOUTHEAST, INC.
RESPONSE UPDATED 9/15/00
TO CONSUMER ADVOCATE 7/25/00 DATA REQUEST
DOCKET NO. 97-00409

Question 4: For each month, January 1997 to present, identify by wire center:

- a. The number of payphone lines provided to non-affiliated payphone providers;
- b. The number of payphone lines provided to company owned payphones or payphones owned by an affiliate;

Response: United does not have the information in the requested format. The data used to prepare a response must be manually extracted and compiled in a separate process.

United filed information for June 1997 and June 2000 on September 18, 2000. Attached is the information for June 1998 and June 1999. United believes wire center information for these four periods, together with the quarterly aggregate data provided in our response on August 14, 2000, should be sufficient reasonable approximations for the interim periods. Therefore, United considers the provided information to be responsive to this request.
